FREQUENTLY ASKED QUESTIONS

How do I book?

After reading through this brochure please email us your completed booking form with your requirements to events@benkandbo.com - on receipt of the booking form we can provisionally hold your event date in our calendar for 7 days. We will provide you with a quote and if you are happy to proceed a 50% deposit of the total hire fee is required to secure the booking in the diary.

What if my requirements are different to what is listed here?

This brochure is just a guide, the space and our offering is flexible so we are more than happy to discuss your requirements and offer you a bespoke hire package. Just get in touch.

Can I get a reduction if I'm not using the entire slot?

I'm afraid we can't offer a reduction based on a shorter time as we would be unable to fill the short amount of time left over/in-between. The slots also allow for time taken for setting up and clearing down.

Can you hold a date for me until I'm ready to book?

Unfortunately we can't secure your date in the diary without receipt of the deposit. We receive a high volume of enquiries on a daily basis and operate on a first-come-first serve basis. However on receipt of your booking form we will provide you with a quote which is valid for 7 days- during this time your date will be provisionally booked in the diary.
